PASTORS, HERE'S WHY LEADERS SUGGEST YOU BRING YOUR FLOCK:

"Hello everyone, I'm James Dobson, and today I hope you'll give some serious thought to participating in a very important event this Spring. It's called 'May Day 2010, a cry to God for a nation in distress.' Our nation faces what is perhaps the most serious moral crisis since the civil war, as we've turned our backs on God and have clearly displeased Him. May Day 2010 is a time to come together, and proclaim what God has done in the past, to pray for forgiveness, and to plead for God's mercy on all of us. It will be held Saturday, May the 1st at the Lincoln Memorial in Washington DC. We're looking for thousands of pastors and churches to get involved. Call 405-796-PRAY, or log onto www.mayday2010.org to find out how you can participate or volunteer."

-- Dr. James Dobson, Founder, Focus On The Family

"The greatest tragedy of our generation would be the refusal to get involved on behalf of those who will come after us. A nation which turns its back on God and His moral standards will reap what it sows. That was truth 2,000 years ago. It is truth today. It will be truth 2,000 years from now, even if we reject it. American Family Association invites you to the Lincoln Memorial on May 1, 2010, to join thousands of Christian leaders across America to pray for national revival."

--Tim Wildmon, President, American Family Association, www.afa.org

"Because of the choices we have made, our nation is in its most critical moral crisis in history. Join us we cry out to God with the international distress call: "May Day!" -- on Saturday, May 1st at the Lincoln Memorial to repent, pray, praise, and proclaim our re-commitment to the God in whom we trust."

-- Janet (Folger) Porter, Faith2Action, www.f2a.org

"In 1863, Abraham Lincoln lamented that America had 'become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us!' As our nation faces many grave challenges, I hope Americans will heed Lincoln's challenge and come together in prayer at this important event."

--Congressman Trent Franks (R-AZ), www.trentfranks.com

"America stands at a critical crossroad. We have the opportunity to carry on the vision of the Founders, or we can chose to allow radical political leaders to dismantle our liberty one policy at a time. I am hopeful that history will proclaim that when the battle raged on our watch, we stood firm and we carried the torch of freedom with courage. It is time to pray and act. That is why I hope you will join me in a show of consolidarity and unity at the Lincoln Memorial on May 1, 2010."
