

PROTECT OHIO'S BABIES AND OUR CONSTITUTION
VOTE YES ON AUGUST 8TH

Your YES vote will protect us from the deadly effort to inject abortion until birth into Ohio's state constitution.

I'm Janet Porter, and I've worked to pass Ohio's Ban on Partial Birth Abortion, Parental Consent, and our Heartbeat Law to keep hearts beating. But if we don't vote YES by August 8th, we could lose them ALL.

That's because of a deadly effort to inject abortion until birth into our state constitution--the greatest threat babies have faced in Ohio history.

The threat is real, the polls are open, and your "YES" vote is URGENT. Tell your church, friends and family to vote YES by August 8th and to pray because lives depend on it!

May God bless you as you put your faith2action!
